ACROSS THE UK

Alnwick Garden | Blenheim Palace | Bath Pump Rooms | Exbury Gardens

OUR LONDON LOCATIONS

OUR LOCATIONS ACROSS THE UK

OUR SUSTAINABILITY PLEDGES

We are ensuring sustainability is at the heart of our business, with a series of new pledges across our restaurants, bars and events venues.

We have partnered with Drappier, the world's only carbon-neutral Champagne house

We celebrate English sparkling wines, working closely with Nyetimber, Greyfriars and Furlough Estate

Our house beer is supplied by Freedom Brewery, the only beer recommended by the Sustainable Restaurant Association

Our signature smoked salmon is caught and smoked at a family-run smokehouse on the edge of Aberdeen harbour

We only use pole and line-caught tuna, which is a sustainable fishing method used to catch tuna, one fish at a time

All our fresh and frozen prawns are Marine Stewardship Council-certified

Up to 90% of seasonal fruit and veg on our menus are British

We only use British-harvested rapeseed oil in cooking

We champion local produce, with all fresh fruit, vegetables, cheese and dairy coming within 48-mile radius from our venues

We celebrate signature seasonal English apples at all our cafes. We offer a free bowl with all our meetings packages

Our bespoke chocolates have been created by William Curley, four-times winner of Best British Chocolatier title

All our cooking chocolate is organic, Fairtrade and Rainforest Alliance-certified

All our teas are ethically and responsibly sourced

Our coffee comes from an organic cooperative of smallholders in Peru and from family-run single estates in Guatemala and Colombia

We offer KeepCups, a sustainable alternative to disposable cups. There is enough plastic in 20 disposable cups and lids to make 1 KeepCup

We have set ourselves a target to reduce food waste by 20%, with disposable packaging audit by the specialist NGO

Our nominated charity is Beyond Food, a social enterprise that helps those who are most at risk of homelessness to gain meaningful employment in hospitality

All our venues offer free tap water. Our bottled water is Belu. It is ethically-sourced and carbon-neutral, with all of its profits donated to WaterAid

All our fresh eggs are British free-range

We only source British meat and poultry

All our bacon is British-reared and dry-cured

All our milk is British Red Tractor-certified

We only use British-milled flour

By using the freshest, best-quality ingredients sourced responsibly from local suppliers, we create a better experience for our customers, the community, and in ways that benefit the environment.
