The Carlton Virtual  
Event Studio

## VIRTUAL AND HYBRID STUDIO SPACE IN CENTRAL LONDON

With virtual events becoming the new norm, we've installed a virtual studio at our London conference venue with production specialists Oxygen Events.

Nothing beats in-person conversation, and our inspirational setting will be sure to keep your audience engaged - so if you're looking to safely connect a panel of speakers, our professional virtual studio is the answer!

Enhance your virtual events offer with a seamless high-quality experience and effortlessly engage your clients and colleagues in the room and beyond.

For meetings or corporate events this hybrid option allows for up to 15 people in the room as well as live streaming to thousands.

## OUR COMMITMENT TO YOUR SAFETY

We know that things are far from normal right now and that means the way in which we are able to deliver your event may differ too.

However we have done our utmost to ensure that doesn't impact on the success and enjoyment of hosting an event here at {10-11} Carlton House Terrace.

Our expert venue team are on hand to answer your questions and we have a dedicated page on our website that we continually update with our safety measures and those of our catering partners Searcys.

## CATERING FOR HYBRID EVENTS

At Searcys we understand your first priority before organising or attending an event is your health and wellbeing.

We are committed to keeping everyone safe. With the new hygiene measures in place, you can relax in the knowledge that you are in safe hand. See our framework for safe operating on our dedicated coronavirus web page.

[10-11cht.co.uk/coronavirus](https://10-11cht.co.uk/coronavirus)

We have carefully crafted a range of new menus to make sure every moment of your visit is as safe as it is delicious.
