# OUR FOOD AND DRINK

MODERN

SOCIAL

BRITISH

SEASONAL

/22 /23

#### SEARCYS SUSTAINABILITY PLEDGES

#### FOOD

Up to 90% of seasonal fruit and veg on our menus are British

We only use British-harvested rapeseed oil in cooking

We champion local produce, with all fresh fruit, vegetables, cheese and dairy coming from our local supply network

We celebrate signature seasonal English apples at all our cafes. We offer a free bowl with all our meetings packages

We only use British-milled flour

All our fresh eggs are British free-range

We only source British meat and poultry

All our bacon is British-reared and dry-cured

Our signature smoked salmon is caught and smoked by an artisan British smokehouse to our recipe

We only use pole and line-caught tuna, which is a sustainable fishing method used to catch tuna, one fish at a time

All our frozen prawns are Marine Stewardship Council-certified

All our milk is British Red Tractor-certified

#### DRINK

All our teas are ethically and responsibly sourced

We have partnered with Drappier,

the world's first carbon-neutral

Champagne house

Our coffee comes from an organic cooperative of smallholders in Peru and from family-run single estates in Guatemala and Colombia

Our bottled water is naturally-sourced Harrogate. It is Britain's oldest bottled water, discovered in 1571, first bottled in 1740. It is a zero-waste-to-landfill company

We celebrate English sparkling wines, working with some of the best vineyards in the country

Our house beer is supplied by Freedom Brewery, the only beer recommended by the Sustainable Restaurant Association and Toast, a craft beer brewed with surplus fresh bread that would otherwise be wasted with all profits going to the charity

#### **PEOPLE**

In 2022, we are pledging to donate £175k to the charities and communities we work in

Our new Searcys apprenticeship programme ensures we have exciting apprenticeships for those entering our industry, and for our seasoned colleagues we have 42 development journeys in culinary, operations, front of house, HR, IT, finance and marketing

We have partnered with food waste app Too Good To Go, an innovative app that connects customers to restaurants that have unsold food surplus – at a great price – so it gets eaten instead of wasted

Our nominated charities Hotel School and Beyond Food help those who are most at risk of homelessness to gain meaningful employment in hospitality

By using the freshest, best quality ingredients sourced responsibly from local suppliers in ways that benefit the environment, we create better experiences for our customers and the community
