Thank you so much for all the work you did this year organising our wedding reception and everything you did on Saturday to keep it running so smoothly. We had an amazing time and so did all of our guests! All of the food was incredible, the venue looked beautiful and the whole night went perfectly from our perspective. We will always be grateful to you and to the whole team.

The level of service we have received has been incredible. You've always been very keen to accommodate any requests we made, very diligent in taking care of everything, and very responsive to our many emails!

Thanks
Aaron and Ellen

I wanted to thank you for the amazing event.

The guests loved the venue and were impressed with the attention to the organisation of the event.

Many of guests commented that it was one of the best meals that they'd ever had and comparable with Michelin star quality food. Please pass on the compliments and gratitude to the chef and his team for the amazing food that was prepared.

The waiting and bar staff did an amazing job too, warm, friendly, highly organised, efficient and very attentive to the needs and requests of the guests. There was an instance where one of the waiting staff prepared a plate of food to an elderly couple and brought it to them. Such a warm and kind gesture.

I hope that you and the staff managed to enjoy the atmosphere of the event.

Kind regards,
Maria and Chee
