BREAKFAST

Make your first meal as a married couple as memorable as your vows. Our inhouse caterer, Searcys, is one of the oldest event caterers in the UK. Searcys have been catering for weddings and events since it was founded in 1847 by John Searcy, the Duke of Northumberland's confectioner. Most recently, Searcys was awarded 'Event Caterer of the Year' at the 2022 Food Service Cateys.

Today, Searcy's chefs use local and seasonal produce and are focused on delivering outstanding menus inspired by the British dishes we all know and love. From canapés to late night dining, your wedding will be in good hands. Searcys can also create a bespoke menu to perfectly fit you and your wedding.
